Please observe the following after your Jet Plasma treatment:

Do not apply anything to the skin for 12 hours. This includes makeup, routine skincare products, sunscreen, and spray tan.

No exercise, sauna, steam room, or tanning for 12 hours.

You may return to your normal activities and skin care routine after the initial 12 hours.

Recommended aftercare product:
Epionce Ultra Shield Lotion SPF 50

Follow all aftercare instructions for optimal results. You may return for your next Jet Plasma treatment after 48 hours.
